During his education, he had been qualifying creditably and had an excellent academic record. He qualified Intermediate Examinations of Chartered Accountancy with 33rd rank in All India Rank List compiled by ICAI. He graduated in Bachelor of Commerce (Honours) from Shri Ram College of Commerce, Delhi University and stood 3rd in the Delhi University in the First-Year examinations. During his Higher Secondary examinations in 1975, he qualified with 13th rank in the Commerce Group of Delhi Board of Education.

On becoming a Chartered Accountant, he established his own practice under the name and style of M/s Seth & Company.

He had been specializing in the field of Accounting, Auditing & Assurance, Internal Audit, Tax and Management Audit, Direct and Indirect Taxes, Company Law matters, Corporate Compliances, setting up MIS systems for Companies & Start Ups Entities and Financial Management & Financial Analysis of Corporates.

While pursuing his profession as a Chartered Accountant, he had a passion of reading, understanding and analysing financial reports. Carrying out fundamental research of companies with his trait of thorough and penetrating analysis and in-depth research with a strong analytical foundation was part of his professional pursuit.

He had been investing in the stock market based on his research since nineties. Stock Investing is an art and needs a thorough experience. And this had been an integral part of his professional practices.

Once he realized that he had a good hand on the Art of Stock Investing, he decided to move ahead, primarily and solely in this discipline, which had its foundation on 23 years of experience as a Chartered Accountant. An Equity Research Lab Namely M/s Tushar Investments was set up as a partnership firm of CA Rajesh Seth and CMA Chander Bhatia with an aim to carry out fundamental equity research for long term perspective for the benefit of the partners.

Currently, he is a managing partner of the SEBI registered Advisory Firm, M/s Seers Advisors and the Chief Executive Officer of the SEBI registered Portfolio Manager Namely M/s Seers Fund Management Private Limited, looking after Administration, Investor Relations, Business Development, Compliance, Research and a member of the Allocation Committee taking the collective call of fund allocation.

Chander Bhatia

CMA Chander Bhatia is a qualified Cost and Management Accountant from the Institute of Cost Accountants of India. He is Masters and Bachelors in Commerce and is all through a topper and merit holder. He proudly served Indian Air force where he was adjudged best in trade. He also worked with the largest bank of India i.e. State Bank of India. He served Indian Customs as Preventive Officer for a decade, where he was rewarded many a times by Government of India for preventing smuggling.

During his stint with customs he was regularly investing money in equity market and generating good returns. These consistent and high returns made him quit his stable and rewarding career with Indian customs. He then took stake in a United Share Brokers Ltd in year 2001 and later became Director of the same Company.

Mr Bhatia has been a prolific reader since last 25 years, he has been spending close to 5 hours a day on reading about Macros, Industries and Companies. He is bestowed with good numerical and analytical skills. He pays close attention to details, and look beyond the obvious to see how data and facts can be linked together to create meaningful conclusions.

He has an innate ability of evaluating and understanding the flow of businesses and how business are likely to glide in future. He displays high integrity and honesty in all his dealings. He believes that apart from investment we must accord value to our personal fitness.
